

Revitalisation Project Update

2 July 2025

Dear St Michael's Community,

St Michael's is undertaking an exciting and significant revitalisation project as part of our forward-looking vision. The revitalisation aims to prepare for the next phase of our church's life by transforming our church building to better serve both the present and future congregation and the wider community.

Important Dates:

20 July 2025

Last church service to be held in St Michael's Uniting Church before the Revitalisation with Purpose project begins.

27 July 2025

Church services will be held in St Michael's Hall from Sunday 27th July 2025 until the completion of work.

4 August 2025

Construction of the St Michael's Revitalisation with Purpose project begins.

As we progress through the Revitalisation Project, we will update our community regularly on our website and in our eNews.
